- **Dean's List Fall 2025**
- **Relevant Coursework:** Calculus, Statistics, Computer Science, Financial Accounting, Managerial Accounting, Microeconomics, Macroeconomics, Financial Management, Statistical Methodology in Business, Business operations Analytics, Management Information Systems

WORK & LEADERSHIP EXPERIENCE

Tobin & Company Investment Banking Group LLC

Investment Banking Summer Analyst

Charlotte, NC

May 2026 - August 2026

- Supported origination, pitch strategy, and marketing materials preparation across 10+ private capital raising transactions targeting \$200M+ in aggregate proceeds by researching PPM terms, drafting CIM content, and reviewing disclosure language for financial sponsor and institutional clients
- Gained direct exposure to sponsor-facing deal dynamics by participating in PE and client meetings, translating financial analysis into clear talking points to support business development conversations
- Supported new business development by managing outreach to 50+ PE groups, search funds, and family offices, helping build the pipeline behind active and prospective capital markets engagements
- Identified value drivers and risk factors across 3+ live offerings by building and stress-testing DCF and comparable company valuation models under downside and base-case scenarios
- Took the lead on a firm-wide initiative by independently building and rolling out a standardized investor reporting model, now adopted for long-term use across the team

Investing and Financial Modeling Program

Modeling Extern

Remote

November 2025 – February 2026

- Evaluated strategic and financial alternatives by independently building a 3-statement operating model forecasting revenue growth, margin stabilization, and EBITDA expansion under varying scenarios
- Applied valuation techniques to support transaction and investment decisions by conducting DCF, WACC, and EV/EBITDA sensitivity analysis across comparable middle-market companies
- Informed strategic decision-making by researching precedent transaction data and market multiple trends under deadline
- Prepared pitch strategy materials for internal and external use by synthesizing research into executive-level pitch decks and investment memos

Cornerstone Advisors Asset Management

Consulting Extern

Bethlehem, Pennsylvania

January 2026

- Evaluated strategic alternatives and portfolio construction drivers across 3 different market segments by conducting business-related research alongside 8 fellow externs under fluctuating timelines
- Delivered a data-driven presentation to firm leadership by managing project scope and coordinating deliverables as a team

Raritan Valley Country Club

Bartender, Hampton Golf L.L.C.

Bridgewater, New Jersey

April 2024 – Present

- Prepared and served guests' drinks during high-volume events, maintaining speed and quality to over 80+ people at once

CLUB ACTIVITIES

Little Investment Bankers of Rutgers (LIBOR) | Rutgers University

- Built mock sell-side pitch books with peers, analyzing M&A deal rationale, buyer landscapes, and valuation methodologies to simulate real-world banking workflows
- Engaged with investment banking professionals from bulge bracket and boutique firms through selective speaker sessions, building working knowledge of deal processes and career pathways in banking

Corporate Finance Society | Rutgers University

- Built corporate finance fluency through workshops, case discussions, and industry speaker events

Personal Finance Club | Rutgers University

- Spearheaded workshops on budgeting, investing, and wealth management, leading peer discussions on personal financial planning strategy

Additional: Rutgers Intramural Basketball, Rutgers Sailing Team
